

Thank You...

With the tremendous support from our community near and far, we delivered to over 1200 families in the Woodstock and Wonder Lake areas on December 17. Each family received a complete Christmas dinner plus a gift card to purchase more food. And those families that had children, a red bag of toys was received. We are so proud of each and every individual and business that made this happen. Whether you donated through our annual giving campaign, provided a service or item or volunteered your time, it's this team effort that helps make the holidays brighter for our neighbors.

From each Rotarian of The Rotary Club of Woodstock...We Thank You.
